

AAR Distribution – Defense is a top global resource for factory-new, expendable, and repairable parts for military and government aircraft operators worldwide. We are the first aftermarket services company to be awarded a Department of Defense Captains of Industry (COI) contract. We are also the largest independent OEM partner with world-class defense sales channel capabilities.

Manufacturer	Description	CAGE Code	Website
 <b>Ametek Power &amp; Data System</b>	Leading manufacturer of components for power generation and distribution, data acquisition, indicators and displays	61349, 97424	Ametekpds.com
 <b>Collins (Goodrich) De-Icing Systems</b>	Industry leader in de-ice boot solutions with content on regional, business, general aviation, and military aircraft platforms	0AJJ0	Goodrichdeicing.com
<b>Collins Aerospace</b>	Leading supplier for turbo fans and rotors, environmental and engine, control systems spares, electrical systems spares, actuation and propeller systems spares, fuel system parts accessories, fire protection for military platforms	12511, 89305 99167	Collinsaerospace.com
 <b>Eaton Corporation (FED)</b>	Leading supplier for hydraulic hoses, and components, ducting and sealing, pressure switches, transducers, system sensing and debris monitoring	00624, 02750, 08118, 8W928, 15284, 16780, 97484	Eaton.com
<b>GE Aviation</b>	Leader in aftermarket products for aviation, aerospace and military products for consumable spare parts and components	19623	Geaviation.com
<b>Icon Aerospace Technology</b>	Specialized in elastomeric solutions including aerodynamic seals, fire seals, bellows, aerial refueling hoses, oxygen breather and G-Suit hoses, as well as other ducting and hose solutions	U0619	Iconaerotech.com
<b>LORD Corporation</b>	Leading supplier for vibration and motion control, isolators, mounts, and shimmy dampers, rotary wing and fixed wing, ground vehicles and support	76005, 30061 1L965	Lord.com
<b>Meggitt Aircraft Braking Systems</b>	Industry leader in wheels and brakes, parts and spares	0B9R9, K1037	Meggitt.com
<b>Northrup Grumman</b>	Leader supplier in E-2C/D airframe parts, E-2C/D accessories / spares	26512, 70974	Northropgrumman.com
<b>Ontic</b>	Leader supplier manufacturing and procurement of legacy products, specializes in low volume, high mix manufacturing with a wide range of aircraft technology	U0J60	Ontic.com
 <b>Pall Corporation</b>	Leading global provider in high-tech filtration, separation and purification products to aerospace and military applications worldwide	U0088, 1	Pall.com
 <b>Pratt &amp; Whitney</b>	Industry leader in manufacturing auxiliary power units, parts, and accessories, jet fuel starters, parts, and accessories	55820	Prattwhitney.com
<b>Rubbercraft</b>	Specialized elastomeric solutions including polymer seals and gaskets, tooling for composites, eye-guards for electro-optics, conductive (EMI) elastomers, and custom engineered solutions	77969	Rubbercraft.com
<b>Seal Science</b>	Leader in providing technology solutions for mechanical and electrical systems including structural subsystem design, signature management and electromechanical interference (EMI) shielding products	65219	Sealscience.com
 <b>Unison</b>	Industry leader in the design and manufacturing of turbine ignition systems, wiring harnesses, engine-dedicated alternators, sensors, switches, metal tubing and ducting	59501, 83311	Unisonindustries.com
<b>Woodward</b>	Leading aviation services provider to aerospace and governments worldwide	66503	Woodward.com
